1 AMENDMENT TO HOUSE BILL 5332

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 5332 on page 4,  
3 immediately below line 12, by inserting the following:

4 "Section 32. Notice to local electric utility. Within 30  
5 days after receiving a request for an electric vehicle charging  
6 system policy, an application for the installation or use of an  
7 electric vehicle charging system, or notification from an  
8 association member that the member intends to install an  
9 electric vehicle charging system, a homeowners' association,  
10 common interest community association, or condominium unit  
11 owners' association shall notify the electric utility from  
12 which the association receives electricity or delivery  
13 services of the planned installation."
